Dear Sir,

Bob Osborne of this station has previously spoken to a representative of your station on the phone concerning the fomation of the CONNECTICUT VALLEY NETWORK.

I believe what he was mainly interested in was the possibilities of feeding you the proposed show to be sponsored by G. Fox & Co. between 7 pm and 7:30 pm, Monday through Friday. I imagine he also mentioned other possibilities with C V N.

I am therefore enclosing the information sheet concerning C V N and an information form to be filled in and returned should you at W Y B C be interested in not only the Fox show, but also other possibilities in the network.

I understand that you are pretty well tied up with the IVY LEAGUE NETWORK, but I would like to here your opinion concerning your part in C V N.

Sincerely yours,

John P. Campbell
